MEMORANDUM FOR

THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT:

Your Memorandum of October 6
Regarding the Comprehensive Test
Ban Instructions

With reference to your memorandum of October 6 regarding instructions to our CTB delegation to the effect that in the context of a three year treaty the U.S. should require ten internal seismic stations, I note your assertion that you were "not consulted on this decision prior to its implementation."

That decision was made on the basis of the July 6 SCC meeting, from which you were apparently absent but at which your representative was present. Thus, your statement in your memo of October 6 is not correct.
